LEARNING TO "SEE WITH OUR EARS"

Here is a wonderful video about Quality Listening and Quality of the sound. (5 mins)

https://www.youtube.com/watch?v=cdrF1gVcLZo

As a former head, and creator, of a Community College audio production program and 47 years playing the saxophone I hear in a much different way that most people.

The only suggestion I have is "Music Is A Place"- Philip Glass (6 mins)
